Dear Researcher

Greetings for the day

Biology and Medicine is a Journal deals with various aspects related to Biology, Medical sciences, Physiology, Pathology, Cell biology, Cancer biology, and Herbal medicine, etc.

We have gone through your preprint work entitled "Selection Of Models For The Regression Problems In Biology Using Chi-Square Test", which is well written and Knowledgeable.

We would be glad if you submit your preprint work for our Journal upcoming issue.

Research works can be submitted as an attachment to this **E-mail** or through [online](#).

We will be looking forward to hear a positive response from you.

Thanks

Laura Cristina
Managing Editor
