Dear Aaditya Prasad Gupta,

I sincerely appreciate if you could spare 2minutes of time.

Successfully, we have released enormous issues towards our **Open Access Journal of Complementary & Alternative Medicine (OAJCAM) (ISSN: 2644-1217)**. With the same spirit, we are moving ahead to accomplish **Volume 4 issue 1** and we need two articles to conclude the **September**. Hence, wish you to contribute any one of your research works (**Research/ review/ case report**), etc. from all over the world for publication.

A single candle (your article) would be a big asset.

Looking forward to having your worthy manuscript at the earliest.

Note: Submit before 15th September for a 25% waiver on Article Processing Charges (APC).**Cynthia Paul**
