Radiology Research and Diagnostic Imaging

Dear Dr. Aaditya Prasad Gupta,

Greetings from *"Radiology Research and Diagnostic Imaging".* Is offering an open scientific discussion platform for the researcher worldwide through publishing recent scientific information in the relevant subject.

We cordially welcome authors from every corner of the globe to submit the papers for the **Upcoming issue Volume 1, Issue 1 2022 Edition.**

I appreciate your professionalism and knowledge after a view at your article **"Classification Of Mushrooms Using Artificial Neural Network".** We would appreciate it if you could write and submit commentary/review articles based on your previous articles or of your own research interest and also **you can submit any of your unpublished articles** (i.e., Research, Review, Case Report, Short Communication, Editorial letter, etc.,) which falls under the scope of the journal.

Acquaint accepts **manuscript submissions** through a submission system on our website or as an email attachment to the same email.

It would be grateful if you submit by **15th November 2022,** if you have any unpublished articles kindly submit to us.

We believe that your research experience and abundance of knowledge will help us in spreading the scientific knowledge throughout the world, we request you to kindly submit your unpublished manuscript towards our esteemed Journal.

Note: We welcome you to join as an Editorial board member of our journal (MD/PhD) Drop us your CV, Short-Biography, Research Interest, we make your profile available in our journal website under Editorial Board member section.

Do not hesitate to contact us for any kind of queries.

Looking forward to our scientific collaboration.

Best Regards,

Patricia Battey,

Editorial Coordinator,
Radiology Research and Diagnostic Imaging,
Medires Publishing LLC, USA.
